Case No. 13-911-L

Docket No. 13-000642-OFIR

Issued and entered

Special Deputy Director

FINAL DECISION

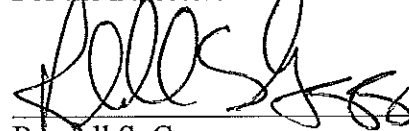

This matter concerns an enforcement action taken by the Office of Financial and Insurance Regulation¹ against the Respondent for violation of his fiduciary obligations and other requirements under the Michigan Insurance Code. The Respondent's resident insurance producer license was summarily suspended on January 24, 2013.

The Respondent challenged the Department's action and a hearing was scheduled to adjudicate the matter. After the hearing was scheduled, the Respondent requested that his appeal be withdrawn. There was no objection to the Respondent's request. On April 24, 2013, the ALJ issued an "Order Removing Case From Docket." The Director of Insurance and Financial Services finds that the factual allegations stated in the Notice of Hearing should be taken as true and the summary suspension order be made final.

It is ORDERED that the Respondent's insurance producer license is revoked effective January 24, 2013.
